To His Royal Highness Nugzar Bagartion-Gruzinsky

Your Royal Highness,

I am writing to you with great gratitude and honour that you have bestowed upon me. I remember my visit to Tbilisi in 2007 very well and I have only the best memories from the mentioned trip and I still highly value the contribution of Your Royal dynasty in the development of Georgia.

I would like to reiterate my gratefulness for this distinguished acknowledgement of receiving the Royal Order of the Crown and becoming the Order's Representative in the Baltic Countries. For that reason I would be sincerely thankful if you could send me further information about how to proceed with this and what would be my responsibilities as the Order's Representative in the Baltic Countries.

Yours faithfully,

Kristiina Ojuland
Member of the European Parliament
